Answer: Non, juste en Polynésie Française. Avant de partir, j'avais le choix entre les îles Cook et la Polynésie Française. Après avoir appris que les îles Cook étaient fermées, j'ai finalement décidé d'aller en Polynésie Française. J'aurais préféré aller aux îles Cook car j'ai des proches là-bas. J'ai déjà vécu là-bas. Ma priorité était les îles Cook. J'ai finalement eu peu de choix et j'ai dû aller en Polynésie Française à cause de l'opposition aux îles Cook.

Question : Your rMrre arrived in Hawaii On what date ?

Bt.ponse : The 17th of August 2020. I lived with her at 2401 kuta-kalea place in HAWAI ... HONOLULU. We lived in a house. -

Question: Michael SCHMIDT etail-11 present at your meeting with Jeff MC KINLEY?

Answer: Yes, this meeting took place in the restaurant "olive garden -- -

Que.tlon : Who went with you on Jeff and Michael's boat from Hawaii ? Answer: On Jeff's boat, there was my mother and I. On Michael's boat, there was my mother and me. On Michael's boat there was

Issac and Yahdah. -

Q.vestfon: Do you know Jssac and Yahdah?

89.Jonse: Yes, these are friends I met on Faceboo.k. After POU\$ have continued com'l'hurtlqUer together on Facebook. The name of this group is "first century chretien -- We have the same beliefs with these people. -

I consider these two men to be brothers in faith. I know these men. I met these people four months before we left Hawaii. -

I don't know their last names. They have the same age and stature as me, but Yahdah is more toned. -

Issac is European and Yahdah is Israeli. He was called African-American. They both speak English. We were all communicating in English. -

Question : Did the two boats have the same destination, French Polynesia ?

Answer : Originally, the ships had the ultimate destination, the Cook Islands. When we realized that the Cook Ties were closed to tourists, we headed for French Polynesia. We found that the Ties Cook were closed - 400 miles from the coast of these islands. We then headed for French Polynesia. -

Question : Why don't you take the same boat to go to the Cook Islands ?

Rebponse: There was no room on the boat, only four places. And also, because Jeff and Michael are friends; and they move together with their boats. -

Question: Why so little space in the boats, i.e. 04 Did you have a lot of stuff?

Repons9: It is a 36-foot boat. It is small. Both boats are 36-footers, so there's room for only 04 people. -

QgeStlon: What did you take with you as luggage with your mother?

Answer: Two suitcases, a body board bag with the body board and a filled ice box . of li vre. -

Question: Who had the idea that Isaac and Yahdah were following you in a boat?

Answer: It was I who invited these two people tO accompany us on our journey. --.

It is because of Covid that we have decided to go elsewhere. In our beliefs, we consider PCR tests, the Covid vaccine, and she-male disease to be part of the prophetic books. That is why we did not fly because we could not submit to the Covid. test son-in-law. --

Question: The first 5 days of travel from HONOLULU, were you with Yadah and your mother as well as Jeff?

Answer: YES. We went to Kona together on the same boat

What.stlon: Where is Mike and his whale and Isaac?

Rfponse : Issac 6tait with Mike on his boat.....

Q: Was Mike's boat loaded?

Answer: I have food and clothing there. -

I suspect the reason you're asking all these questions is because of drugs. You think *there's a* drug problem. That's not it at all. Yadah had no passport. He was going to apply for asylum on serious grounds. He didn't want to be deported to the *police*. Yaddah and Isaac jumped ship from Mike. The ROP tests are inspired by the devils of Satan and are the fruit of nano-technology, I'm a PhD in chemistry. It's a vast oomplot with your tray0ns. -

Question: How did you know that since you were not on Mike's boat and you were actually on BORA-BORA?

Answer: It was Jeff who told me that Yadah and Isaac jumped ship. And Jeff got the information from Mike. -

Question: Did you, Yatiah and Isaac share the same faith?

Yes, we'll share your **answer**.

Question: did you leave HONONOLU on Jeff's boat with your friend Yaddah /

Answer: I was *with* Jeff and my mother Yahdah and Isaac was with Mike. -

Question: It appears that Isaac arrives by plane on Kena and not by boat according to Jeff?

Answer: Isaac arrived in Kona, near HAWAI.

Question: How long do you stay in KONA?

R@sp@nse: 25. day\$ because it took US a while to get going.

Question: What did you fail on KONA ?

Answer: We read and studied together, in the sun and bodyboarding. ---

Question: Can you specify the swimming level of the two missing persons ? Can you give swimming lessons to Yadah? What is the purpose of us doing swim training with a bag?

Answer: Isaac knows how to swim well unlike Yadah. I learned the Vadah **has been** swimming 25 days. They do not swim with a backpack --- around

Question: Weren't you preparing them to jump ship in case they had their stuff?

Reptmse: Not at all Who told you that? Maybe Jeff did. It was wrong.--

Question: What contact do you have between Mike's and Jeff's boats during the trip?

Answer: A radio device **connected to the** internet that allowed us to send short messages and our vision

- Question: - What contact did he have with the two missing men since leaving HAWAI. By what means did he communicate with them? When did he have the first contact? **Did** he have contact with them after 28/11/2020 and if so by what means? Did the two missing persons have a mobile phone, a computer, a cell phone, a GPS Garmln?

I have to **tell you** that I am not going to be able to do anything about it. They sent me a message on ~~tr~~ailroad to say that he had almost arrived on Wallis. I **only** learned yesterday that Yadah and Isaac had jumped ship. Before that I had not had any communication for 2 or 3 weeks. I think they are in the mountains hiding. They are afraid of the PCR test for religious reasons and consider it evil. He had no telephone or computer communication devices. -

Question: Did Vada and Isaac tell you that they were going to jump off the boat in the vicinity of m ?

Answer: Originally, their goal was to go to the dregs to make a request for a fugitive This is a very good thing, because it means that we have to be careful not to get caught in the middle of a crisis

Question: Did the missing persons complain about the behaviour of Michael Schmidt during the crossing?

Answer: I don't know about yadah and Isaac with Mike. For me, it **was** the worst experience of my life because of the lack of space and the bad understanding with Jeff.

Question: Why did you refuse to travel with SCHMIDT Michael because Jeff said that you and your husband did not like SCHMIDT. What did you say?

Answer: I have never been asked to travel on Michael's boat. I want to make it clear that I get along with Mike better than with Jeff. -

I'm traumatized from sailing on a boat with Jeff and I'm worried about my two friends who have disappeared. They would rather die OR burn out than take the PCR test. I feel the same way.

Que-Stlon: How much did the boat trip cost you?

Answer: 600() dollars divided in two with my mother.-

Question: Why do you want to go toAROTONGA despite the prohibition and closure of this Ile? According to jeff you WERE ready to add 2000 dollars to be landed on the island of RAROTONGA?

R6 answer: o-is v "9 1. -

Question: Why?

Answer: I was ready to pay 2000 euros. I didn't know Jeff was lying about the ban. It's a small tie and the people-- low lam me than me.--

I felt I was qualified to help Yadah with her application for political asylum. I worried about Yadah because I can't help her anymore -

Question: Why did ABDUL RASHED, whom you call Yadah, travel on a passport and why did he not have to renew it before leaving?

Repons: I have no passport. I can't apply for a passport or renew it because of the crisis and because of the closed offices. -

Question: Were you aware that the two missing persons wanted to escape on a deserted Tlot? to not undergo the cov!d test. To this end, fail lul clarify first what his position is on the subject of the vid and PCR test. They told him that they wanted to act in WALLIS and if so, by what means they intended to act.

Will they leave from here?

Answer: No,

Question: Yet, you taught Yadah to swim. Wasn't this so that he could jump off the boat?

Answer: N on, -

Question: What were you carrying in his 1500 kilos of luggage? What did he carry in his suitcases? general during his back and forth RAROTON A? ..

Answer: I had 2 suitcases, an icebox with 150 pounds to spare. I don't do drugs. I

I'm ready to submit to a drug test.

Question: Who owned the other businesses?

Answer: I have no idea. -

Question: According to Jeff's statement. He loaded 1600 kilos of luggage on board the Kona that Michael did not want to take on board his boat. According to him, it was not his business. When he arrived on Bora-Bora, after Jeff had left his boat, he noticed that the luggage he had carried, weighing 1500 kilos, had disappeared. Do you know where this luggage is?

I have not touched the rest. Hermann. a temoln who is in BORA-BORA can testify to this. I would like to point out that Hermann WAS audited by the gendarmes of BORA-BORA. My mother told me this. I think Jeff is a liar. He is trying to to confuse the issue. -

It's true that there was some stuff on Michael's boat that belonged to us, but it didn't weigh 1600 kilos. He must have had a cooler and a friend. -

I'd like to add something. I am concerned about the two missing people. I would rather see these two people incarcerated than have them tested for PCR -

Reponsc: Where is your luggage now?

Question: In your people who host me. I don't know exactly where the malson. -
